Hope Hope Butler is about to watch the man of her dreams, Jake Whitelaw, marry another woman unless she finds the courage to stand up and fight for him. Faith Faith has always been more concerned with the happiness of others than with her own, and if she isn't careful, she's going to let a good man slip through her fingers. Charity Adopted at a young age, Charity Burnette never really had a home, and she's not one for putting down roots even if it means shutting out the man who'd love to call her his wife. When the three sisters come together unexpectedly at Hawk's Pride Ranch, the sparks fly. But each woman is about to learn something about herself about family and about the love of a good man.
